

## **Explore Knowledge Academy Charter School Internet, Website, Computer and Equipment Acceptable Use Agreement 2017-18 SCHOOL YEAR**

### **INTRODUCTION**

The Internet offers a wealth of information sources for employees and students of Explore Knowledge Academy ("EKA"). Like any tool, the Internet may be misused. Although there are many valuable resources on the Internet that can improve the services and productivity of EKA, there are many forms of inappropriate material that are unrelated to the educational purpose of EKA.

EKA filters web sites believed to be inappropriate for students. However, no filtering system is perfect. EKA cannot and does not represent that inappropriate or objectionable material can be completely filtered. Parent(s)/Guardian(s) must consider this in deciding whether to permit their children access to the EKA's computer network resources.

This Acceptable Use Agreement (AUA) is provided so that staff, students, and members of the community using the EKA's computer network resources are aware of their responsibilities. The use of these network resources is a privilege, not a right.

Proper use of EKA's Internet access, website, and computer use is the responsibility of the individual user. Misuse of the Internet, website, computer or equipment may lead to revocation of the employee, student, parent, or agent's Internet or website access and possible discipline, including suspension, expulsion, loss of credit, reduction of grade or discharge and/or criminal prosecution. The purpose in providing these services is to facilitate access to information and resources, promote educational excellence, and enhance communication between school administration, advisors, parents, and students.

Prior to receiving access to the EKA's network resources, students must submit completed EKA technology agreements to the appropriate administrator or designee at EKA.

### **SCOPE**

This agreement shall apply to all users of EKA's Internet access, computers and equipment, including but not limited to students, faculty, parents, administrators, support staff, agents and board members.
